

## Welcome Back

We are happy to be back with children and we are excited to get to know our new students. We want your children's school years to be filled with the thrill of discovering the world around them and the sense of confidence that comes through self-development.

MONTESSORI  
CHILDREN'S HOUSE

**“Supposing I said there was a planet without schools or teachers, where study was unknown, and yet the inhabitants—doing nothing but living and walking about—came to know all things, to carry in their minds the whole of learning; would you not think I was romancing? Well, just this, which seems so fanciful as to be nothing but the invention of a fertile imagination, is a reality. It is the child's way of learning. This is the path**

**he follows. He learns everything without knowing he is learning it, and in doing so he passes little by little from the unconscious to the conscious, treading always in the paths of joy and love.”**

~ Dr. Montessori
